[REDACTED]

On 5/7/69, ME 338-R advised that the girl at Memphis State University (MSU), a Negro freshman who has been so active in recent BSA activities which resulted in 4/23/69 sit-in at the office of Dr. HUMPHREYS and subsequent 4/28/69 sit-in at his office resulting in 100 arrests, is [REDACTED] whose mother is [REDACTED] and who [REDACTED]

[REDACTED] in turn, is the sister of [REDACTED] who operates [REDACTED] Night Club, a Negro institution on [REDACTED] He advised the family lives at [REDACTED] SR., who would be subject's grandfather. He advised that subject has the reputation of being rather loose in her morals, a very excitable girl who is not knowingly a part of any of the organized black power movement but who is one who is easily influenced by those because of her engaging personality and good looks. He furnished photos concerning her which were taken at the BSA rally at Clayborn Temple, 276 Hernando on the night of 5/2/69. These photos are being retained in [REDACTED]

Informant added that one thing that concerns him is that BOBBY DOCTOR, employee of U. S. Civil Rights Commission, Third Floor, FOB, Memphis, an admitted agnostic non-believer in Christ, as recently as 5/2/69 was telling many BSA students along with some Invaders that the theory of SCIC of non-violence and Christian ethics is baloney and that the only way young blacks could get their way was through militancy, even of a violent nature if necessary.

On 10/8/68 ME 338-R (Ghetto) orally advised  
SA WILLIAM H. LAWRENCE as follows:

A male Negro, HENRIK LANE, an adept and accomplished Negro artist with a studio on North Second Street, is making a lot of conscious tikkis or amulets for resale to Negroes. He is making them for Black Knights. He indicated he has become affiliated with Black Knights; said ANTRA IBAN SHABAD, a Black Knight, wants to work with him, but he is somewhat skeptical of SHABAD. He said SHABAD is now living somewhere on Sixten Street.

ME 338 added that during the 10/5/68 sympathy march for striking city hospital employees that ROBERT C. DOCTOR, aka BOBBY DOCTOR, male Negro employee of U. S. Civil Rights Commission, was with AUDREY DANIRIDGE, female Negro who used to do volunteer office work for SCIC. DANIRIDGE is married as is DOCTOR, yet they were holding hands.

Photos of DOCTOR holding hands with DANIRIDGE were furnished by ME 338.

Later on 10/8/68 ME 338-R advised that DOUG RUBIN, aka WILLIAM RUBIN, in charge of SCIC's "Marks Miss. Warehouse" on S. Florida St., and RANDIE CATRON, aka RANDALL CATRON, RONALD CATRON, were together, indicated they would attend 10/8/68 Memphis City Council meeting and insist that Council hurry and settle the city of Memphis hospital strike which commenced 9/21/68.
